

~~SECRET~~

26 MAY 1969

MEMORANDUM FOR THE RECORD

SUBJECT: DD/S Representative on Agency Historical Staff

STAT 1. On 21 May 1969 Colonel White called and suggested that we take
 STAT a look at [redacted] as a good candidate to fill the slot on the Agency Historical
 STAT Staff. Colonel White further said that if [redacted] should be acceptable to the
 DD/S, and there were no objections from the DD/I that I would not need to
 come back to him but could proceed with the assignment. I informed Mr.
 Bannerman of this call at the Noon Meeting the same day.

STAT 2. After reviewing [redacted]'s file, I discussed him with Mr. Bannerman
 STAT on 22 May. [redacted] is a GS-15 in the Intelligence School/OTR with a Career
 Designation of IR; 49 years old; a Phd. in History from the University of Chicago;
 has first rate fitness reports, but lacks any evidence of knowledge of the Support
 Services other than the Office of Training. I further understand that he [redacted]
 is very desirous of returning to his primary calling of historian. Mr. Bannerman
 agreed that he would be an acceptable candidate to represent the DD/S. STAT

25X1 3. I then touched base with [redacted] who saw no difficulty in
 arranging his release from his current assignment with the Office of Training.
 Al also had kind words to say about subject.

STAT 4. On 23 May I visited [redacted] and discussed the assignment with him.
 Bob said that he was sure that the DD/I would impose no objection and gave me
 the green light to proceed. On the afternoon of 23 May, [redacted] came over
 to see me and we discussed the assignment for about 30 minutes. He had already
 talked about the Historical Program with Dr. Ehrmann and with Colonel White,
 but not in terms of an assignment representing the DD/S. He professes interest
 in the assignment but wants to touch base with Hugh Cunningham re his current
 responsibilities with DD/I CT's etc. and we agreed that I would get in touch with
 him upon my return 9 June. STAT

5. All of the above, in a final summation, was passed to Dr. Ehrmann
 on 23 May.
